## Can't Find The Words

~Can't find the words~

><br>

>I just can't find the words<br>

>To tell you good-bye<br>

>So instead I'll just sit<br>

>Force myself not to cry<br>

><br>And I seriously hope

><br>That this isn't forever

><br>But if somehow it is

><br>And this is our last time together

><br>

>Forever and always <br>

>You'll be my best friend<br>

>From this day on<br>

>And until the end<br>

><br>I don't know where I'd be

><br>If you hadn't been there

><br>If you hadn't reminded me

><br>That I really do care

><br>

>You brought me out of my shell<br>

>And you saved me it's true<br>

>But now I have to go<br>

>And I have to leave you<br>

><br>And now sitting here

><br>I just can't find the words

><br>To express how I feel

><br>After all we endured

><br>

>And I guess that good-bye <br>  
>Isn't all I should say<br>  
>As we sit here and wait<br>  
>Until I go away<br>  
><br>I should probably say thank you  
><br>Cause you saved my life  
><br>And you rid me  
><br>Of anger and darkness and strife  
><br>  
>But you already know that<br>  
>And I know that this may sound absurd<br>  
>That I just want to say good-bye<br>  
>But I can't find the words. <p><p>
